

MAKE. IF YOU WANT AN ANALOG CONSOLE, THERE'S ONLY ONE CHOICE TO MAKE.

Spectra Series From APB-DynaSonics

Unmatched for sound quality, versatility and value in its price range, Spectra Series truly redefines the art of analog consoles.

All Spectra FOH consoles feature high quality VCAs by THAT Corporation for the most precise control. Exceptional EQ, Burr-Brown mic pres and our unique design approach set us apart from other consoles in terms of sound and performance.

Sound quality, control and rugged modular construction. That's why there's been so much buzz* about the Spectra-C and Spectra-T consoles.

Spectra-C, Ci, T and Ti. A unique rethink that redefines the potential of analog consoles for audio professionals.
